

Safety Contract for Chemistry Academic Labs

I agree to:

- 1) Wear OSHA approved safety goggles (Z87) at all times while in the laboratory.
- 2) Wear proper clothing which will provide full coverage (i.e. pants or a long skirt, shoes that completely cover the feet, and a shirt that completely covers the upper portion of the body, including short sleeves to protect the arms). Shorts, mini-skirts, tank tops, sandals and clothing that allows your midriff to show are not considered proper lab clothing.
- 3) Tie back long hair.
- 4) Not eat, drink, smoke, or chew in lab.
- 5) Obey all special instructions of the particular lab.
- 6) Become familiar with safety facilities:
 - Eyewash Station
 - Safety Shower
 - Fire Extinguisher
 - First Aid Kit
 - Exits
- 7) Dispose of waste as instructed to do so.
- 8) Use proper lab techniques and consult instructor or assistant if these techniques are unknown.
- 9) Clean up spills and notify instructor of these and other accidents.
- 10) Not perform unsupervised experiments.
- 11) Use common sense.
- 12) Clean up my work area before leaving the lab.
- 13) Think of other's safety as well as my own.
- 14) Inform the instructor of any medical condition which may affect my safety or the safety of others in the laboratory.
